

AGREEMENT made _____, between Sage Publications, Inc., 2455 Teller Road, Thousand Oaks, California 91320 USA (hereinafter "Publisher"), and

(hereinafter, "Author"), with respect to Author's written work provisionally entitled

(hereinafter, the "Work"), intended for publication in a journal entitled *Space and Culture* (hereinafter, the "Journal").

* The "Corresponding Author," authorized to communicate with the Editor of the Journal on behalf of all the Authors

Note: If the Contribution, or any Author's work contained in the Contribution, is a "work made for hire" (that is, written by the Author while an employee and within the scope of the Author's employment), then the Author's employer owns the copyright in the Author's work contained in the Contribution and must also sign this Transfer.

EMPLOYER:

All the Authors of the Contribution (and Employer, if applicable), jointly and severally, are referred to as the "Contributor."

The Journal is owned and published by Sage Publications, Inc., 2455 Teller Road, Thousand Oaks, CA 91320, USA (the "Publisher"). The Publisher is pleased to consider the Contribution for publication in the Journal. If and when the Contribution is accepted for publication in the Journal, the following terms and conditions shall become effective as of the date of Contributor's execution of this Transfer:

Transfer of Copyright: Contributor transfers and assigns to the Publisher all right, title, and interest of every kind in and to the copyright in the Contribution for the full term of copyright throughout the world, together with all the exclusive rights comprised in such copyright and remedies as afforded by law (for United States government employees, to the extent allowable by law), including, without limitation, the exclusive right: to register the copyright in the Publisher's name; to reproduce, publish, transmit, distribute, and publicly display and perform copies of the Contribution or excerpts therefrom, in any format or medium, and by any method, device, or process, now known or later conceived or developed; to prepare translations and other derivative works based on the Contribution; and to license, transfer, or assign to others any or all of the rights comprised in the copyright in the Contribution.

The Publisher makes no guarantee that the Contribution will be published in the Journal. If, for any reason, the Contribution is not published in the Journal, all rights in the copyright in the Contribution shall revert to Contributor, and this Transfer shall be of no further force and effect and neither the Publisher or Contributor will have any obligation to the other with respect to the Contribution.

License to Contributor: The Publisher grants back to Contributor the non-exclusive license to: (a) use all or part of the Contribution (after publication in the Journal) in any book or article written by the Author(s), and (b) make photocopies of all or part of the Contribution for use by the Author(s) in classroom teaching. As a condition for this license to Contributor, all such books and articles containing the Contribution or any part thereof, and all photocopies of the Contribution or any part thereof, must include the copyright notice that appears on the issue of the Journal in which the Contribution is first published and a full citation of the Journal.

Contributor's Duties: (a) If the Contribution contains copyrighted material not owned by Contributor, then Contributor shall obtain written permission from the copyright owner, in a form acceptable to the Publisher, to include such copyrighted material in the Contribution and to reprint it in the Journal, and shall deliver such written permission to the Editor together with delivery of the manuscript of the Contribution.

(b) The Editor may copyedit the Contribution as necessary in order to prepare it for production and publication in the Journal. The Corresponding Author will proofread and correct the edited manuscript and, if forwarded, the proofs of the Contribution and shall timely return them as directed. The Publisher may charge to Contributor the cost of extensive changes in proofs made by the Corresponding Author at a rate of \$2.00 per line.

If corrected proofs are not timely returned, the Publisher may proceed with the publication of the Contribution as it deems appropriate.

(c) This Transfer must be signed by each Author (and Employer, if applicable) and delivered to the Editor as a condition for publication of the Contribution in the Journal.

Credit; Use Of Name and Likeness: Each Author will receive credit as an author of the Contribution when it is published in the Journal; the form and placement of the credit will be determined by the Publisher. Each Author grants the Publisher the right to use his/her name, likeness, biographical information, and professional affiliations in connection with the publication and promotion of the Contribution and the Journal.

Consideration: In addition to publication of the Contribution in the Journal, the Publisher will provide the Contributor with (2) copies of the issue of the Journal in which it first appears. Author may purchase additional reprints of the work at the Publisher's regularly scheduled prices. No other consideration or compensation shall be due Author for the rights granted herein.

Warranties: Contributor warrants and represents that: (a) the Contribution has not been previously published, is not in the public domain, and is the original work of the Author(s) (except for excerpts from copyrighted material owned by others and included with the written permission of the copyright owner); (b) Contributor is the owner of all right, title, and interest of every kind in and to the copyright in the Contribution, and has the full power, and authority to transfer and assign the copyright to the Publisher; (c) the Contribution does not infringe the copyright or any other proprietary right of any party; (d) the Contribution contains no material that is defamatory, violates any right of privacy, or is otherwise contrary to law; (e) all statements in the Contribution asserted as facts are based upon reasonable research for accuracy; and (f) no formula or procedure contained in the Contribution would cause injury if used in accordance with the instructions and/or warnings contained in the Contribution. Contributor shall indemnify the Publisher, its subsidiaries and affiliates, their officers, directors, employees, agents, and licensees, against any liabilities, costs, and expenses (including reasonable legal fees and court costs) resulting from any claim finally sustained or settled based on facts inconsistent with any of Contributor's warranties and representations.
