

Largest Gifts from Canadian Charities to other Qualified Donees

By Mark Blumberg (February 6, 2012)

Canadian charities, depending on their objects can carry out charitable activities in three different ways. Some do all three.

- 1) A registered charity can conduct charitable activities using staff and volunteers.
- 2) A registered charity can work with an intermediary who is not a qualified donee as long as it has “direction and control” over its funds as set out in CRA’s two Guidances on the subject (at <http://bit.ly/ybUGAB>)
- 3) A registered charity can make a gift to a qualified donee. For a list of qualified donees see: <http://www.cra-arc.gc.ca/chrts-gvng/qlfd-dns/qd-lstngs/menu-eng.html>

Here is a list of all gifts over \$1 million from the 2010 T3010 Registered Charity Information Returns.

Keep in mind the many caveats about T3010 information including that registered charities sometimes make mistakes when they file their return, and sometimes CRA inputs the information incorrectly. This list does not cover all inter-charity transfers – CRA typically only inputs about 10 per T3010 – so some gifts are not going to be on the list. Also these reported amounts do not include specified gifts, enduring property or gifts in kind. If there are mistake let the Charities Directorate know.
